# RECONCILED & RECONCILING

## Waldenström's Atonement Sermon 150 Years Later

*April 8, 10am–4pm CDT, Zoom*

**REGISTER HERE**

The year 2022 marks the 150th anniversary of Rev. Paul Peter Waldenström's sermon on atonement (1872), which set in motion events that led to the formation of the Covenant Churches in Sweden (1878) and North America (1885) and left an indelible mark on Covenant preaching, mission, and ecclesiology. Join four scholars and church leaders as they share how this crucial aspect of Covenant history remains relevant to the church's calling to restorative justice, racial righteousness, global mission, preaching, and congregational life.
