

BRING CHICAGO HOME

TOWN HALL

**Lutheran School
of Theology in
Chicago**

The progressive tax reform legislation Bring Chicago Home was born out of the need to address our housing & homelessness crisis in a meaningful way. As people of faith, seminarians, and church leaders, we are called to work with community partners to get Bring Chicago Home passed on March 19th.

Join us as we learn about faith-based organizing in Chicago & get energized to do the work to Bring Chicago Home!
